The contract is hereby made between the Organizer-Nanjing Stuttgart Joint Exhibition Ltd. and the Exhibitor, as named above for this exhibition.

Terms of Participation

1 Exhibition and Admittance

1.1 International Future Manufacturing Technology Conference and Exhibition - FuMaTech 2022 and International Robotics & Automation Conference and Exhibition – IRACE 2022 will be held at Shenzhen World Exhibition & Convention Center from 9 to 12 November 2022. It is organized by Nanjing Stuttgart Joint Exhibition LTD. (Messe Nanjing or organizer.)

1.2 The request for permission to participate in the exhibition is made by sending the legally binding signed and completed Exhibition Registration Form on the front page to the organizer. These terms and conditions for participation of Messe Nanjing are recognized as obligatory with the signing and return of the Exhibition Registration Form to Messe Nanjing. The exhibitors are bound to their registration until such time as decision is made by Messe Nanjing regarding admission. Only registrations received by Messe Nanjing before the closing day of 31 August 2022 will be taken into consideration for FuMaTech & IRACE 2022. Registrations received after the closing day may still be considered if Messe Nanjing permits in exceptional case. The decision regarding the admittance of exhibitors and exhibition articles as well as the allocation of space is made by Messe Nanjing. Messe Nanjing reserves the right to accept or refuse any registration regarding admission without giving any reason. Admittance is granted with the written confirmation of Messe Nanjing. This makes the rental agreement between the exhibitors and Messe Nanjing legal and binding, if nothing different has been agreed in written.

1.3 The application and confirmation of its receipt do not constitute grounds for any claim to approval with regards to any specific location or site of stand. In particular, the organizer is entitled to implement reduction in the number of square meters applied for if the exhibition area available is oversubscribed.

1.4 If the contents of the confirmation differ significantly from the contents of the Exhibition Registration Form, then the contract is concluded in accordance with the confirmation, unless the exhibitor objects within two weeks in writing.

1.5 Any exhibitor who wishes would use a company name on its exhibition stand which is different to that stated on its Exhibition Registration Form must submit notice of this change to the organizer at least three months prior to the commencement of the exhibition.

1.6 All domestic and foreign manufacturers or their Chinese subsidiaries, general importers and specialized dealers authorized by the manufacturers as well as organizations and institutions are admitted as exhibitors.

1.7 The organizer reserves the right at their sole discretion to change the location, type, dimensions or size of the exhibition area rented by the

exhibitor or to change the opening hours, the dates, the terms of duration of the exhibition from that for which application is made from Exhibition Registration Form and to undertake any kind of alternations to the exhibition whatsoever. The organizer will provide exhibitor with the notice of the changes as soon as practicable. If the changes are so considerable, that the exhibitor can no longer be reasonably expected to accept the changes, then the exhibitor is entitled to withdraw from the rental contract within one week of receiving written notification of the changes by Messe Nanjing.

2 Allocation of Exhibition space, Co-exhibitors

2.1 The exhibition space is rented by Messe Nanjing (and any other official co-organizers or entities authorized by Messe Nanjing) to the exhibitor only on a non-exclusive basis. The exhibitor is prohibited to sublet the exhibition space allocated to it, either wholly or in part or otherwise part with or share possession of all or any part of exhibition space without the prior written consent of the organizer. The exhibitor shall ensure that any such authorized subletting complies with this contract, terms and conditions for participation, technical guidelines of the Shenzhen World Exhibition & Convention Center, and the exhibitor manual. The exhibitor shall be responsible for any fault resulting from such subletting and shall indemnify the organizer in accordance with clause 8. The organizer reserves the right to cancel the participation and contract immediately if stand subletting occurs.

2.2 Co-exhibitors are those who appear at the stand of an exhibitor with their own staff and own offering. These include consolidated companies and subsidiaries. The acceptance of the co-exhibitor must be requested in writing from Messe Nanjing, stating the full address and contact partner.

3 Terms of Payment

3.1 A non-refundable deposit of 50% of total stand rental charges should be paid within 7 days after the date of the stand confirmation of Messe Nanjing.

3.2 The balance shall be paid before 31 August 2022.

3.3 If participation application is made after 1 September 2022. The stand rental charge should be paid in full upon receipt of the invoice. as the Technical Guidelines of the Shenzhen World Exhibition & Convention Center which are also a part of the contract.

4.2 If presentations are to be held at stands, measures must be taken to ensure that they do not cause any visual or acoustic disturbance to neighboring stands. Moreover, neither common aisles nor floor areas of neighboring stands may be obstructed in any way whatsoever. Sound emissions from the stand must not exceed 70 dB (A) at the presenting stand's boundaries. In case of infringement, the organizer is entitled at its own discretion to prohibit the presentation causing annoyance or obstruction, and in case of repeated infringement to terminate the stand rental contract with immediate effect.

4.3 The stand must be staffed during opening hours and be filled with exhibits. Only brand-new products may be exhibited, unless they are items that are used solely as fittings or for illustrative purposes. Exhibits other than those registered are not permitted.

4.4 Surveys and promotional activity on the part of the exhibitor are permitted only at its own stand and only for the articles they exhibit. This includes, in particular, the distribution of pamphlets.

The costs of such alteration and removal shall be entirely borne by the exhibitor and any sums of money which may have been paid by the exhibitor for rent and charges shall not be refunded. 7.2 If Messe Nanjing permits rescission in exceptional cases (and the requirements of the exceptions of 7.1 do not apply), this may only occur under the condition that the exhibitor is obligated to pay:

7.2.1 50% of the total participation fee more than 2 months prior to the start of the exhibition.

7.2.2 100% of the total participation fee within 2 months prior to the start of the exhibition.

8 Preamble, Limitation of Liability, Compensation for Damages, and Insurance

8.1 Under no circumstances shall the Organizer make good or accept any responsibility or liability arising with respect to damage, theft or loss of any property, goods, articles or things however placed, deposited, brought into or left upon the premise either by the exhibitor for his use or purpose or by any other person.

8.2 Messe Nanjing is only responsible for damages that can be

Terms of Participation

attributed to the inadequate quality of the rented space and any other articles that have been rented. In the event of the failure of any equipment, breakdowns or other occurrence's impacting the exhibition, Messe Nanjing is only liable if it can be proved that these events resulted from willful intent or gross negligence on their part or on the part of their agents. Messe Nanjing only assumes liability for articles provided at the exhibition by the exhibitor, its authorized staff or third parties if damage occurs to these articles, which must be proved to have occurred due to willful intent or gross negligence by its legal representative, an employee, or agent. The same applies for claimed damage as a result of actions: Messe Nanjing is not liable to the exhibitor for loss of profit or other financial loss. Liability by Messe Nanjing for non-foreseeable damages is excluded. Where liability by the Messe Nanjing is excluded or restricted, this also applies for the personal liability of their employees, staff, personnel, representatives, and agents. The terms of 8.1 are unaffected.

8.3 The exhibitor shall indemnify and hold the organizer and its employees, staff, personnel, representatives and vicarious agents harmless with respect to all costs, claims, liabilities, losses, demands, proceedings and expenses to which the organizer and its employees, staff, personnel, representatives and vicarious agents may in any way be subjected (including but not limited to members of the public, the staff of the local authorities, or the organizer of exhibitor's staff, agents or contractors) caused as a result of any act of omission of the exhibitor or its co-exhibitors, representatives, employees, agents, contactors or invitees. The terms of 8.1 are unaffected.

8.4 Messe Nanjing does not bear any insurance risk for the exhibitor. The exhibitor is explicitly referred to its own insurance options. If the organizer so demands, the exhibitor shall provide proof to the organizer that the exhibitor has adequate insurance coverage. In general, the exhibitor is recommended to appropriately ensure their risks based on the rental contract. Messe Nanjing recommends the exhibitor and its contractors to purchase a 3rd party public liability insurance and relevant insurances towards employees and exhibits. Messe Nanjing is neither liable for any personal damages or damages for exhibits nor liable for any compensation on lost material, theft and fire. If Messe Nanjing has to pay compensations due to the events related to the exhibitors' participation during the show; Messe Nanjing has the right to ask the relevant exhibitors reimburse the compensation to Messe Nanjing. Messe Nanjing is not liable for any direct or indirect personal injuries and property damages towards exhibitors, their representatives, and employees. If the exhibitor is an entrepreneur, a legal person under public law or a special fund under public law, Messe Nanjing is under no circumstances liable for damage to or loss of goods brought to the exhibition by the exhibitor or the stand fittings or furnishings. In this case, it is immaterial whether such damage

or loss occurs before, during or after the exhibition. For his part, the exhibitor is liable for any culpable damage to persons or property caused by him, his employees, representatives and co-exhibitors and their exhibition articles or exhibition installations and equipment. The terms of 8.1 are unaffected.

9 Force Majeure and Performance of Services

9.1 Cases of Force Majeure, which prevent Messe Nanjing from fulfilling their obligations either totally or in part, relieve Messe Nanjing from fulfilling this contract until the case of force majeure is removed. Messe Nanjing must inform the exhibitor of this immediately, provided that it is not prevented by force majeure from doing so. The impossibility of a sufficient supply of supplies, such as electricity, heating, etc., as well as strikes and lockouts - provided that they are not only for a short period of time or are caused by Messe Nanjing - are also equated with a case of force majeure. If costs for the preparation of the exhibition are incurred by Messe Nanjing in these cases, the exhibitor is obliged to pay these costs.

9.2 The performance of all services is subject to available capacities. The organizer is entitled to postpone, curtail, temporarily close, wholly close, close in part or cancel the event for a substantial reason (e.g. labor dispute, epidemic disease, government limitation, force majeure, inadequate turnout). In the case of complete or partial postponement or curtailing, the contract is considered to apply to the altered period, unless the exhibitor objects in written form within a period of two(2) weeks after being advised of the alteration. Discounts on any agreed fees and reimbursement of any expenses incurred by the exhibitor in regards to the exhibition running as originally planned are hereby expressly excluded.

10 Intellectual Property Rights

10.1 The exhibitor is obliged to strictly observe the industrial property rights of third parties regarding the articles they exhibit. Articles that violate the intellectual property rights, in particular trademark rights, design patent rights, utility patents and/or patents are not permitted as exhibition articles.

10.2 The exhibitor is obliged to remove articles that violate these rights in terms of 10.1 immediately from their stand.

10.3 The exhibitor is liable in the same manner for rights violations through articles of co-exhibitors in terms of 2.2.

10.4 Messe Nanjing reserves the explicit right to exclude the exhibitor from the current and/or future event(s) without any compensation, without justification of a respective obligation, if infringement of industrial property rights and/or infringements against the obligations in terms of 10.1 and 10.2 can be substantiated. 10.3 applies accordingly.

10.5 Exhibitors are solely responsible for safeguarding the intellectual property rights of their exhibition articles.

10.6 If Messe Nanjing exercises the exclusion right in terms of 10.4,

Terms of Participation

based on a judicial decision or on substantiated evidence for the infringement of an industrial property right, the exhibitor concerned is not entitled to any compensation for damages from Messe Nanjing if the violation of intellectual property rights should prove to be invalid at a later point in time (as the result of an appeal procedure or other legal evidence). This does not apply in cases where Messe Nanjing has acted with willful intent or gross negligence.

11 Storage of Data

11.1 The exhibitor agrees explicitly to the storage, processing and forwarding of person-related data by Messe Nanjing in accordance with data protection legislation, including the use of automatic data processing, provided this is required solely for business purposes.

12 Applicable Law, Place of Execution and Place of Jurisdiction

12.1 Only the law of the People's Republic of China applies for all the legal relations between Messe Nanjing, their personnel, agents, and their assistants on the one hand and the exhibitor as well as their personnel, agents and their assistants on the other hand.

12.2 The place of execution is Nanjing.

12.3 In the event of any dispute, controversy, or claim (collectively "dispute") arising out of or relating to this contract, or the breach, termination, or invalidity of this rental contract, then any party may bring an action at the court which has jurisdiction at the registered address of Messe Nanjing. To exhibitors incorporated or with their principal place of business outside the PR of China any party may submit the dispute to the China International Economic and Trade Arbitration Commission of Shanghai in accordance with its rules of arbitration procedure.

13 Additional Agreements and Severability Clause

13.1 Additional agreements are only legally binding if they are made in writing with Messe Nanjing and are confirmed in writing by Messe Nanjing.

13.2 The terms and conditions for participation and this contract will remain valid even if individual conditions should become invalid. The respective condition must then be replaced by a condition that corresponds as far as possible to the original commercial purposes.
