PASSION

Welcome to MOULDING EXPO 2019!

MOULDING EXPO has established itself as the most important European meeting place for tool, pattern and mould makers and their suppliers. This is thanks not least to the over 750 exhibitors and 14,000 visitors. They make us the trade fair of the sector and for the sector. From the tool maker to the plant constructor – MOULDING EXPO provides a sense of home!

We do not want to rest on our laurels. On the contrary: MOULDING EXPO 2019 will impress you again, and hopefully even more. That's why we're moving and in the middle of the planning. You can look forward to the largest possible range of themes, a great framework programme and many new ideas from the MEX team.

So start your planning for MOULDING EXPO 2019 now – our calendar will make it easy!

Don't miss anything!

42.000 sqm
for tool, pattern and mould
making incl. suppliers

Magnet for highly qualified specialist visitors

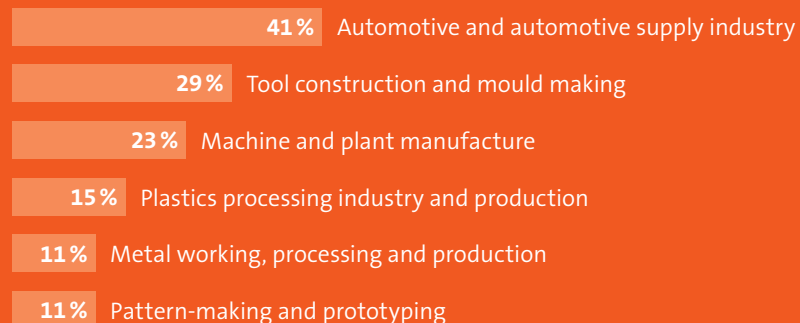

MOULDING EXPO attracts decision-makers from around the world: In 2017, 79% of exhibitors rated the quality of the specialist visitors as “very good” or “good”. 76% of visitors planned to invest. Again in 2019, the trade fair will promote successful business relations with its high visitor quality.

More competences, more themes

In 2019 for the first time, MOULDING EXPO will take place parallel to the Forum for Plastic Products of GKV/ TecPart – Verband Technische Kunststoffprodukte e. V. In addition, the five Automotive Shows by UKI will provide a comprehensive technology overview.

Impress your customers of today and tomorrow

The top 6 visitor sectors at MOULDING EXPO: *

* Result of the visitor survey 2017.

Over
14,000
specialist visitors**

84%
