

**120,000 m<sup>2</sup> of ideas.**  
**Plenty of space for innovations.**

World's leading trade fair for roller shutters, doors/gates and sun protection systems

**27 February - 3 March 2018**  
**Messe Stuttgart, Germany**

## Visit the world's largest trade fair for roller shutters, doors/gates and sun protection systems

**Your most important date in 2018:** during R+T in Stuttgart you will be able to learn all about the latest trends, forge contacts and exchange experiences with manufacturers and colleagues.

Over 900 international exhibitors will present their innovative products at the global industry meeting point. Technicians, fitters, architects and energy consultants: only R+T attracts so many trade visitors from craft trades, commerce and industry. Make use of the accompanying programme and obtain information on innovations relating to topics such as building automation, energy efficiency, security and comfort.

**It will be worthwhile being there!**

Trade fair visit made  
easy - everything at a glance:
